

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

PATTIJO DANIELS, et al.,

Plaintiffs,

v.

NORTHSHORE SCHOOL DISTRICT ,

Defendant.

CASE NO. 2:21-cv-00580-LK-BAT

**ORDER DIRECTING THE FILING
OF MISSING PORTIONS OF THE
RECORD UNDER SEAL**

As directed by the Court, plaintiffs purported to file under seal 20 volumes of the certified record for review. Dkts. 25–41. Plaintiffs have, however, omitted Volume 9 (presumably Tr. 1814–2030); submitted as Volume 17 (presumably Tr. 3628–3859) a duplicate submission of Volume 16 (*see* Dkt. 40); and omitted altogether Volumes 19 and 20. The Court therefore **DIRECTS** plaintiffs to file under seal the missing Volumes 9, 17, 19, and 20 **by July 1, 2022**. If plaintiffs do not file the missing volumes, the Court will presume that plaintiffs are not relying on any information contained in the missing volumes. This would appear to be a counterproductive approach given the challenged ALJ’s decision is contained in missing pages Tr. 1993–2030. The Court further notes that the case number is now C21-580-LK (not C21-580-JLR), and plaintiffs’ filings going forward should reflect that change.
